

# About your bakerbus services 94 and 94A

Following the success of the expansion of this route, we are now pleased to introduce some further improvements from 18 May 2009. There are changes to departure times from Biddulph and Newcastle, (except during Monday to Friday peak period journeys, which remain unchanged). Buses for Brown Lees depart at different times from Newcastle, (again except during Monday to Friday peak periods). In Biddulph, service 94A will operate via Princess Street instead of Kingsfield Road. There are also some changes to times from bus stops along the route. Altogether, these changes should improve the reliability of these services, which do sometimes suffer from traffic congestion.

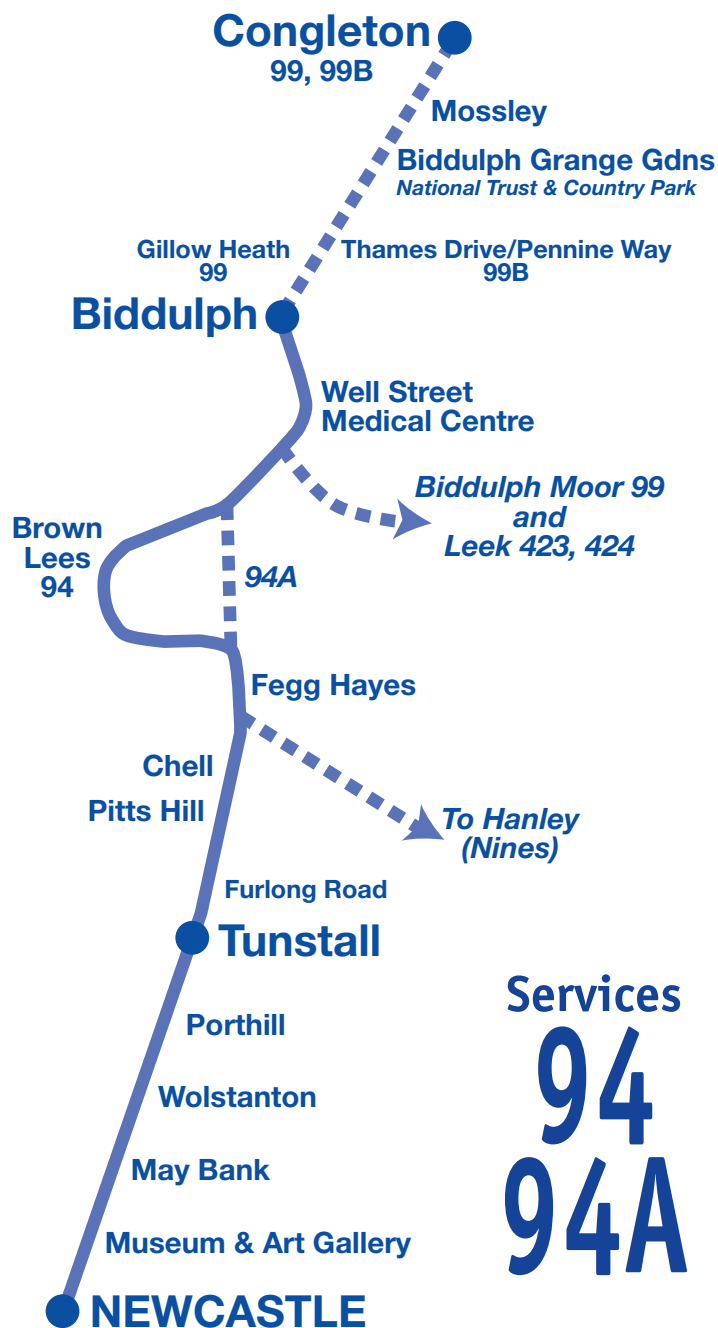

Most journeys on services 94/94A are now normally operated by low floor easy access buses. Good connections are also available in Biddulph with bakerbus service 99 to and from Congleton and Macclesfield. Through fares are available. When boarding, just tell our friendly drivers that you wish to make connecting journeys.

Finally, we have no plans to increase our bus fares. In these difficult times we understand how important it is to continue to offer our bargain fares. Please check out the back cover of this leaflet for more information. **Thank you for your support!**
