The Shuttle 391 / 392 / 393 What's new?

From Monday 27 July 2009 *The Shuttle* 391 has a new improved timetable. Following requests from customers, there will now be a regular hourly service between Middlewood and Stockport between the peak periods on Monday to Friday and all day on Saturday. There will also be an additional early morning journey at 06.40 from Middlewood to Stockport on Monday to Friday. Connections to and from Macclesfield are again possible by travelling on the 10.25 or 12.25 journeys from Middlewood, changing at Poynton Church and returning from Macclesfield at 13.20 or 15.20. All this has been made possible through our partnership with Cheshire East Council and GMPTe with the award of a new bus contract for service 372 between Bramhall and Stockport and the use of available time to boost service 391.

Services 391/392/393 have been re-branded as *The Shuttle* to maintain a thread through the region's rich textile heritage to a time when *The Shuttle* had a much different importance in the weaving mills of yesteryear. Now *The Shuttle* has a renewed importance, with brand new, easy access, low floor, and environmentally friendly buses providing a fast and comfortable, regular link for the communities of Middlewood, Hockley and Poynton to and from Stockport. All journeys on services 391/392/393 are shown plus service 108 for Sundays and Bank Holidays. A really great alternative to the car and no parking fees! And we do offer bargain fares too!

The Shuttle group of services, operated on behalf of Cheshire East Council, is also an important addition to our growing network of bus services, providing additional variety to destinations for shopping and leisure. At Macclesfield, services 392 and 393 offer connections for Congleton and North Staffordshire. So why not take a trip very soon? (Full timetable for *The Shuttle* 392/393 is also available).

bakerbus is a division of Bakers Coaches of Biddulph, a family business first established in 1936, with a reputation for quality service. *The Shuttle* 392/393 are now part of our network of regular local bus services in Staffordshire and Cheshire: Biddulph - Smallthorne - Hanley (*Nines*), Biddulph - Congleton - Macclesfield (services 99/99A), Congleton - Kidsgrove - Hanley (service 77), Hanley - Stone - Stafford (service X1), Biddulph - Tunstall - Newcastle (services 94/94A), Westlands - Newcastle - Hanley (services 33/33A), Hanley - Eccleshall - Newport (service 350), Mow Cop - Biddulph - Leek (services 423/424), Congleton's Beartown Bus Network and also from 27 July 2009 Bramhall - Stockport (service 372).

SMS code:
 You can now get timetable information on your mobile phone - it's just a text message away! To use this service simply type the stop code as a text message in your mobile and send it to 84268. If the stop is a busy one you can also add the service number. So your message will look like "CHEPWGM 392". The service costs 25p + your standard network charges.

Bus times and fares can change at short notice. Customers may wish to check details before travel.
 This service is provided on behalf of Cheshire County Council.

Twenty four hour clock

All our bus timetables are presented in twenty-four hour format, in common with most travel and transport operators, and which avoids confusion between morning and afternoon journeys. We hope you will find the clock face shown helpful.
