

About *The Shuttle* and other bakerbus services

At bakerbus we are very pleased to be operating these services on behalf of Cheshire East Council. From Monday 12 January 2009 services 392/393 are re-launched as *The Shuttle* thus maintaining a thread through the region's rich textile heritage to a time when *The Shuttle* had a much different importance in the weaving mills of yesteryear. Now *The Shuttle* has a renewed importance, with brand new, easy access, low floor and environmentally friendly buses providing a fast and comfortable hourly link for communities between Macclesfield and Stockport. A really great alternative to the car and no parking fees! And we do offer bargain fares too!

These new services are an important addition to our growing network of bus services, providing additional variety to destinations for shopping and leisure. At Macclesfield, we offer connections for Congleton and North Staffordshire. So why not take a trip very soon?

bakerbus is a division of Bakers Coaches of Biddulph, a family business first established in 1936, with a reputation for quality service. Services 392/393 are now part of our network of regular local bus services in Staffordshire and Cheshire: Biddulph - Smallthorne - Hanley (*Nines*), Biddulph - Congleton - Macclesfield (services 99/99A), Congleton - Kidsgrove - Hanley (*77 sunset strip*), Hanley - Stone - Stafford (*The XI*), Biddulph - Tunstall - Newcastle (services 94/94A), Westlands - Newcastle (services 33/33A), Hanley - Eccleshall - Newport (service 350), Mow Cop - Biddulph - Leek (services 423/424) and Congleton's *Beartown Bus Network*.
